## SPC ADVANTe SUPER

High Performance Motor Oil

---

**SPC ADVANTe SUPER** is a high performance multigrade motor oil designed to provide maximum engine cleanliness and protection against oxidation, wear, corrosion, deposit and sludge formation under the most severe driving conditions.

It is developed for use in all types and makes of gasoline vehicles including those fitted with turbochargers, fuel injection systems and catalytic converters running on unleaded fuel.

### PERFORMANCE STANDARDS

**SPC ADVANTe SUPER** meets the following performance requirements:

- API SM/CF

### BENEFITS

**SPC ADVANTe SUPER** provides outstanding performance such as:-

- Maintains a very resistant oil film to protect the most sensitive parts of the engines.
- Provides excellent resistance to oxidation and sludge formation.
- Provides excellent antiwear, rust and corrosion protection.
- Offers low oil consumption.
- Exhibits outstanding engine cleanliness and antiwear properties leading to longer engine life.
- Provides excellent thermal stability.
- Reduces maintenance costs.

## APPLICATIONS

**SPC ADVANTe SUPER** is developed for the latest four-cycle gasoline engines. It is also suitable for turbocharged engines.

**SPC ADVANTe SUPER** may be used where oil meeting earlier classification such as API SL, SJ, SH, SG, SF, SE is recommended.

## TYPICAL CHARACTERISTICS

---

<b>SPC ADVANTe SUPER</b>						
SAE Grade	5W30	10W30	10W40	15W40	15W50	20W50
Viscosity, Kinematic						
at 40 deg C, cSt	65.0	76.0	107.0	120.1	137.0	169.0
at 100 deg C, cSt	11.1	11.3	15.0	15.4	18.1	18.2
Viscosity, Apparent						
at -15 deg C, cP	-	-	-	6500	5500	8500
at -25 deg C, cP	-	6100	6100	-	-	-
at -30 deg C, cP	5900	-	-	-	-	-
Viscosity Index	165	140	155	135	147	119
Flash Point, COC, deg C	230	224	226	228	224	234
Pour Point, deg C	-39	-39	-33	-33	-30	-27
Specific Gravity, 15/15 deg C	0.852	0.868	0.868	0.875	0.873	0.884
